## **Principal Message**

Mrs. J. Moore

On behalf of the staff, I would like to welcome all new and returning families to the 2019-2020 school year at Front of Yonge Elementary School. We hope that everyone had an enjoyable and relaxing summer and took full advantage of the fantastic weather we had all summer long. Our custodial staff, Mr McCrae and Mr Hutchison have worked hard over the summer months to help our school to sparkle and shine for our return. Our staff is very excited about the new school year. They have been working to create a welcoming, safe and inclusive environment for their students. As you know, our staff is very dedicated to ensuring your child is successful and reaches his/her full potential. We are strong believers that through consistent communication between home and school we can have a partnership that is essential to student success. Teachers will communicate by phone, email, Facebook pages and class newsletters. Please ensure your most current numbers and emails are registered at the office to help us ensure we have what we need to keep you informed. Please remember the importance of kind and respectful communication as we are all working towards the same goal of ensuring the best education and experiences for your child.

If you would like to volunteer or become involved with the school, please give us a call. We truly welcome your ideas, talents and support.

I look forward to seeing everyone at the Welcome Back Barbecue and Meet the Teacher event.

## **Safe Arrival**

It is very important to notify the school office of your child(ren) absence. All schools in UCDSB follow a 'Safe Arrival Program'. If your child is marked absent with an unknown reason, the office will attempt to contact the parent/guardian at home / work, then will try to call the emergency contacts. If those attempts are unsuccessful, the next step is to contact the police.
